ABOUT EASTERN MINING

We value a diverse and motivated workforce that thrives on seeking responsibility for excellence.

Eastern Mining is committed to building a working environment that is secure, fair and diverse and a culture that fosters leadership and allows every person to contribute and realize their potential. Sound employment practices are crucial to developing a workforce with the necessary skills and qualities to support a successful, ethical and responsible business. Diversity is celebrated and encouraged.

ABOUT THE ROLE

Mechanical Technician will be responsible listed below:

- Participate in prestart meetings, lead toolbox talks, job hazard analysis and Field Level Risk Assessments.
- Before performing any task, it is necessary to do field level risk assessments before proceeding. Any unsafe situations found, must be reported immediately to your line supervisor.
- Be willing to engage in future safety training when required.
- Basic Welding Certification would be an asset.
- Working knowledge of crushers, conveyors, grinding mills, pumping systems, piping, cyclones, pressure vessels, screens, agitators, ventilation, and lubrication systems, would be an asset.
- Conduct maintenance activity at the Rupice Mine site and when required perform duties at the VPP site.

ABOUT YOU

The successful candidate will ideally possess the following:

- Mechanical high school degree.
- Professional exam passed for the surveillance of mining works (Desirable).
- A good understanding of mining operations and very good understanding of low voltage and high voltage Mechanical systems operations and maintenance activities.
- A very good understanding of BiH Mining law.
- A very good understanding of good Mechanical practices, in particular isolations rules and permitting systems.
- A good understanding of risk management and safe systems of work.
- English language desirable.
- Valid driving licence B category.

ABOUT OUR PROCESS

At Eastern Mining, we are committed to employing individuals who align with the company values and meet the role requirements. Therefore, as part of the recruitment process, several checks may be conducted to demonstrate an applicant's suitability for a role, including police/criminal background checks, medical, due diligence checks, right to work checks, occupational assessment, and/or reference checks.

HOW TO APPLY

To apply for this role, please send a copy of your CV clearly indicating the reference number of the role, to posao@manpowergroup.ba before the closing date. No applications will be considered after submission of the closing date and time 17th of March, 17:00h, or if the information sent is incomplete.
